PowerUp Austin!

The Power of Peer Advisory Groups

Join us for an interactive session on "The Power of Peer Advisory Groups" designed exclusively for Austin business owners and senior executives. You will gain insight and direction on your most pressing business issues for EOY 2017.

Six local Vistage Worldwide Group Chairs will facilitate "What's Standing in Your Way" Q & A table discussions enabling you to remove road blocks that will increase your revenue, profit, performance and results.

Vistage is well known for their successful peer advisory model that helps CEOs, business owners, and C-Level executives become better leaders, make better decisions and achieve stronger results. This interactive session is designed to enable you to experience the benefits of a peer advisory board. The session will be led by Tim Gray, a regional leader for Vistage from Texas to Georgia who leads 63 chairs and over 1500 members.

This is an invitation-only, no-cost session, so seating will be limited. [REGISTER HERE](#)
